

BOLD GOAL 2 EDUCATED FOR SUCCESS

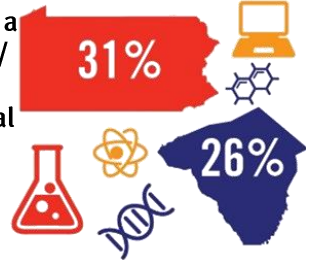

100% of students and adults will have post-secondary credentials.

THE NEED: Secondary Education Statistics

Millennials Living in Poverty (Aged 25-32)

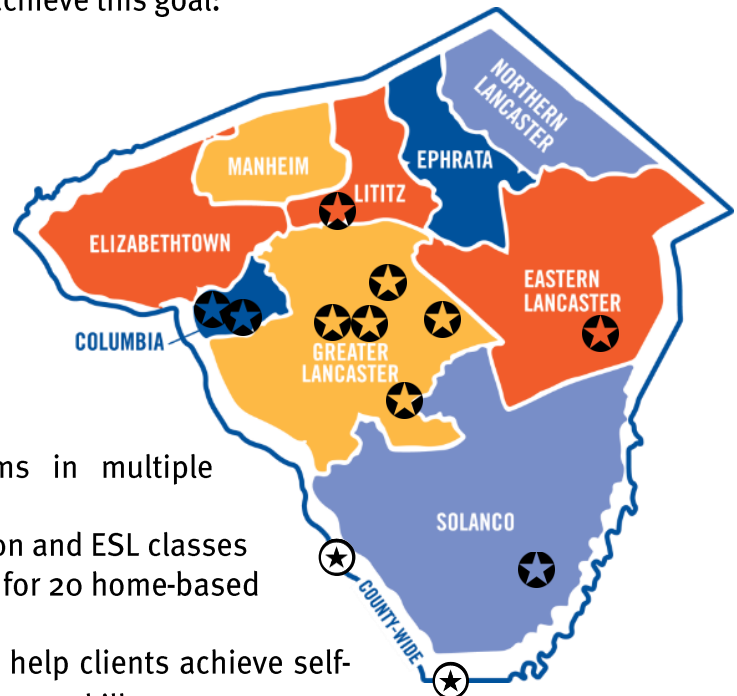

Adults with a Bachelor's/ Graduate/ Professional Degree (Aged 25-64)

Imagine a Lancaster County where everyone has the credentials needed to get a good job. This is just one of four BOLD goals that United Way of Lancaster County is helping us accomplish by 2025 and here are the Community Impact Partnerships that are helping us achieve this goal:

1. Impacting Generations
2. Integration Services for New Americans
3. Lancaster-South Connections
4. Moving Forward
5. Pathways Out of Poverty
6. R.E.P. (Reunify, Empower, Prevent)
7. Solanco Family Life Network
8. Systems Aligned in Learning (SAIL)
9. Together Initiative

YEAR 1 2015-2016 HIGHLIGHTS:

- Established GED, ESL, and internship programs in multiple locations
- Provided 400 new arrivals with language acquisition and ESL classes
- Provided professional development and resources for 20 home-based child care providers
- Piloted a navigator (person-centered) approach to help clients achieve self-sufficiency, financial stability, and workforce readiness skills
- Empowered program participants to pursue post-secondary credentials at HACC and Thaddeus Stevens College with scholarships or tuition waivers
- Purchased materials and resources to support adult learning: laptops, budgeting and career building software, and SAT and GED prep software
- Developed referral and consent process for families involved with Children & Youth to be connected to resources to assist in the attainment of post-secondary goals
- Secured corporate sponsor to create jobs with sustainable living wage for program participants
