

**WHO DO YOU  
FIGHT FOR?**

**LIVE UNITED**

## **UNITED WAY OF LANCASTER COUNTY IS IN YOUR CORNER FIGHTING FOR YOUNG MINDS.**

**We believe every child should enter kindergarten ready to learn.** The early years of a child's life are the foundation upon which they can build future success. In fact, in the first three years of life a baby's brain grows faster than any other body part. That is why United Way and our Community Impact Partners fight to remove the income barriers many parents face when trying to find the best child care, while also teaching parents that learning ABCs and 123s is fun at home.

**Join the fight by investing in your community  
through a gift to United Way's Community Impact Fund.**
