SIGNATURE EVENTS SPONSORSHIPS

211 Day (February 2027)

211 Day brings together nonprofits, businesses and legislators to celebrate and discuss the amazing work done by 211. Panel discussions, keynote speaker(s) and breakout sessions by local nonprofits contribute to a day of learning and networking.

Trike Race (May 2027)

A United Way of Lancaster County tradition, this race brings together teams from businesses and nonprofits in a relay race on adult-sized tricycles to determine the champion team in Lancaster County. Riders, fans, business and community leaders, and even local celebrities gather for this exciting event! Funds raised support the services provided to local communities through our 211 Call Center, VITA program, and Volunteer Center.

Leadership Event (June 2027)

An exclusive invite-only event for our Leadership Level donors where we celebrate the impact they have made and thank them for the critical role they play in strengthening our community.

United in Caring (September 2027)

As a United in Caring Sponsor, your organization will play a key role in celebrating the impact United Way has made across Lancaster County while recognizing the key partners, volunteers, and supporters who have helped make that impact possible over the past year.

Your sponsorship will be recognized at our annual United in Impact event and throughout Week of Caring, a week-long volunteer initiative that brings together hundreds of volunteers from local businesses and community groups to give back through special projects with local nonprofits.
