

REMOTE SUMMER VIRTUAL ACADEMIC TEACHER

APPLY TODAY: <https://www.surveymonkey.com/r/LPLESummer21>

Job Descriptions and Qualifications

Responsibilities

- Implementing (literacy and math) curricula and activities to meet academic standards remotely
- Utilizing formal assessment data to refine and adapt curriculum lessons and inform virtual instructional practices
- Developing daily engaging virtual lesson plans aligned to specific learning objectives
- Delivering relevant, engaging, and rigorous virtual lessons utilizing a variety of instructional methods
- Adhering to all remote program and district professional expectations and compliance issues
- Creating a positive, achievement-oriented, organized, and engaging virtual learning environment
- Motivating and holding scholars to high academic expectations
- Providing consistent rewards and/or consequences for positive scholar behavior and attendance
- Empowering scholars to make positive choices and serving as a role model
- Being accountable for meeting scholars' individual academic and instructional needs remotely
- Implementing virtual co-teaching instructional strategies with program assistant teachers
- Communicating effectively in a remote setting with scholars, families, and program staff
- Compliance with all program and/or district professional-development requirements

Qualifications

- Bachelor's degree is required; college students pursuing teaching certificate with student teaching experience also considered
- Valid state (elementary / middle-school literacy / middle-school math) teaching certification or satisfactory record of student teaching experience
- Previous and relevant experience in utilizing and implementing data-driven instructional practices
- Experience in the use of technology (computer/Internet) for assessment and instruction
- Knowledge of differentiated instructional practices and strategies
- Drive to improve the minds and lives of scholars within the community
- Proven track record of high achievement in a classroom setting
- Mastery of and enthusiasm for (literacy / math / literacy and math) academic standards and instructional rigor
- Excellent organizational and communication skills
- Committed to the goals of the program and approach
- Love and respect for children
- Evidence of efficacy and willingness to be a team player
- Belief and commitment to the mission and values of the program

Program Details

- The Remote After-School program will run from June 30th- August 10th, 2021
- The Live Instruction schedule will tentatively be Monday-Thursday from 9:30-10:30am and 11:00-12:00pm.
- The Virtual Academic Teacher role is 20 hours per week; including 8 hours of live instruction and 12 hours designated for planning, group enrichment activities, 1:1 support for students, family engagement & coaching/collaborating.
- Virtual teacher training will take place June 30th-July 2nd.
- To complete the employment process, all NEW candidates must be willing to travel to the United Way of Lancaster County office located at 1910 Harrington Drive, Lancaster PA 17601 prior to 1/19/2021 to complete paperwork. Returning teachers will not need to visit United Way in person.
