

VITA

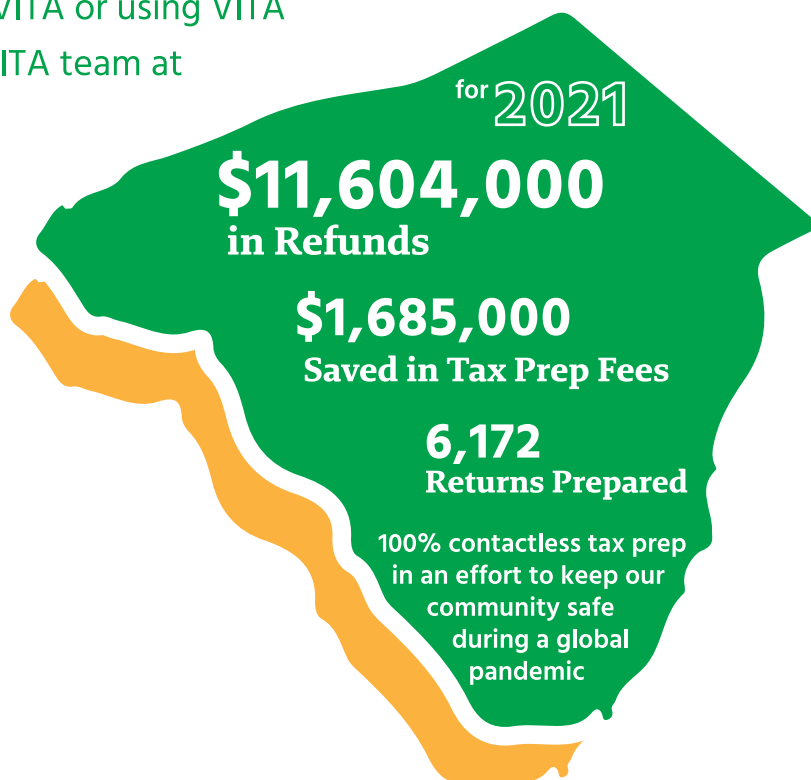

VOLUNTEER INCOME TAX ASSISTANCE

Since 2007, VITA has committed to providing free, high quality tax prep to individuals and families making \$62,000 or less. Powered by United Way of Lancaster County, IRS-certified VITA volunteers work with families to bring millions of dollars back into the local economy through refunds, tax prep savings and tax credits, including the Earned Income Tax Credit (EITC). For more information about volunteering with VITA or using VITA services, visit vita.uwlanc.org, contact the VITA team at 717-824-8102, or email vita@uwlanc.org.

OUR WAY
Values
Collaboration
Empowerment

In addition to annual tax preparation services, VITA also serves as a community resource, educating neighbors about tax updates & changes that will affect yearly returns. VITA's vision is to empower taxpayers, so tax time is looked upon as an opportunity to take advantage of tax refunds & invest in the future.
