

PRE-K EDUCATIONAL IMPROVEMENT TAX CREDIT [EITC]

Through the state of Pennsylvania's Pre-Kindergarten Educational Improvement Tax Credit (EITC) initiative, businesses can receive substantial tax credits by donating to Pre-Kindergarten Scholarship Organizations (PKSOs) that grant scholarships to families burdened by the cost of early childhood education.

United Way of Lancaster County is proud to participate as a PKSO, because we observe the visible relief on families' faces as we alleviate their financial burdens. We continue to see the benefit of our close relationships with local organizations through our Give at Work campaigns and encourage a commitment to our future workforce by welcoming contributions to Pre-K EITC.

Qualifying businesses receive a **TAX CREDIT** equal to **100%** OF THE FIRST \$10,000 and **90%** of the remaining amount contributed up to a maximum credit of \$200,000 per year

3 OUT OF 4 STUDENTS ARE ELIGIBLE yet just 5% receive pre-k scholarships due to lack of business contributions

EITC is your business organization's opportunity to provide **high-quality education** to children & **reduce significant stress** on caregivers in the workforce.

Local companies win by utilizing their tax liability to invest in the Lancaster community and strengthen our social infrastructure.

Caregivers win because they are more productive employees knowing that their children are in high-quality programs.

Children win because they are in nurturing programs designed to prepare them to enter school ready to learn.
